

## CAMP SEWATARO

Camp Sewataro is excited to offer **\$100.00** off the 2009 camp tuition to any CFN member interested in their great Summer Program.

Camp Sewataro is a traditional summer day camp, owned and directed by the Taylor family, in a north woods setting located in Sudbury, MA. Sewataro has been sharing the joys of camping with boys and girls ages 4-13 since 1960. Campers are initiated into a world of new and exciting adventures, activities and friendships. It is a time of enormous growth and discovery. Accordingly, at Sewataro, we have developed an environment that is safe, fun, supportive and non-competitive. Our family is involved in the entire camp operation and we take a personal interest in each camper, and we also maintain a 4 to 1 camper to counselor ratio. Sewataro has something special to offer children and we look forward to having you become part of the Sewataro experience! Please call us at (978) 443-3100, email us: [camp@sewataro.com](mailto:camp@sewataro.com) or check out our website at [www.sewataro.com](http://www.sewataro.com) to learn more about our program and to receive a brochure. We also invite calls from qualified individuals interested in learning about how to join our staff team.
