

June 2021

Happy June, CFN! The rain has cleared and by the end of this week it will feel like summer...and aren't we all ready for summer to begin? June marks the end of our CFN year, but we will continue events throughout July and August with farm trips, parent socials, and other casual gatherings for children. This time also marks the transition of several Board members phasing out of their roles and the emergence of a new [CFN planning team](#), who will take the reins in September. We are grateful to all our parent volunteers; CFN would not exist without your dedication, creativity, and energy! To celebrate our outgoing and incoming team, we are planning an End of the Year Social this Sunday (see below). Several positions and volunteer opportunities are still available, so sign up [HERE](#) to get more involved in CFN. It is a great way to connect with families and give back to your community! We hope you can join us!

own copy of some of our favorite books that highlight diverse characters! Feel free to bring a picnic blanket to sit on. Open to the public and to children of all ages. RSVP is not required.
